

EDUCATION PAYS

Washington County students now have an incredible opportunity to pursue their dreams. Each and every student, beginning in the ninth grade, can earn points that can be converted into money upon graduation from Chipley High School or Vernon High School and acceptance at a post-secondary institution of the student's choice.

To successfully continue this program, money for our children's future is needed. The Washington County Scholarship Trust is asking each parent, grandparent, aunt, uncle, or anyone interested in the future of our young people to contribute one dollar per child they know enrolled in a Washington County public school. Just one dollar!

With the help of your donation, all Washington County students have an opportunity for a brighter future.

Please send your contribution to:

Washington County Scholarship Trust
P.O. Box 776
Vernon, FL 32462
